Okscouting Combine @ Randolph Macon Univ., May 9th.

[Reply](#)

VirginiaPreps is excited to announce its affiliation with a football combine provided by Okscouting at Randolph Macon College in Ashland, Virginia on Friday, May 9 beginning at 4:00 PM.

Okscouting.com, based in Tulsa, OK, provides the opportunity for 9th-12th grade high school football players to showcase their athletic skills through a series of body measurements, physical tests and position-specific drills. Athletes are taken through 8 separate stations and results are recorded and often videotaped. These results are then provided in an online database exclusive to collegiate and junior college coaches and recruiters. To date, over 250 colleges across the nation have signed up to receive information from Okscouting's combine services. Since its inception in 2001, Okscouting has placed 90% of its participants at the next level.

The standard cost to participate in the combine and be included in their player profile database is \$49.00, however through VirginiaPrep's affiliation with the combine, if you mention our name you are entitled to a \$15.00 discount upon pre-registration (\$34.00 vs. \$49.00) and a \$20.00 discount if you pay when you arrive at the combine (\$49.00 vs. \$69.00).

VirginiaPreps will also be there to cover the event, interview any coaches that attend, take pictures, and interview any of the players that attend. So far, we have heard that over 30 players have signed up to participate! For more information on the combine, visit their website at www.okscouting.com, or you can contact Jeff Bigger, Director of Combine Operations, at 918-607-3001 or by e-mail at jeff@okscouting.com.
